Daniel joined Archon in September 2019 to specialize in retail leasing, tenant representation, and land sales. At his previous firm, he has successfully negotiated numerous transactions with established landowners and across Central FL.

Daniel is proficient in cold calling, canvassing, site demo/research, and other the applicable technologies associated with retail CRE leasing and sales. He has closed deals on new developments, mixed-used and existing shopping centers, both anchored and un-anchored. Daniel received a Bachelor of Science in Finance with a minor in Management Information Systems from Florida State University in 2017. As a student, he attained the coveted position as a management consultant for the Florida State University Consulting Group. Daniel wrote his thesis on the 2008 financial crisis and how it continues to affect the student debt crisis. He is currently active in the FSU Alumni Association and is a resource to college students and young CRE professionals.
